To Whom It May Concern:

Based on the classification determination request that was submitted, and the type of work listed that you will be performing, it has been determined that ~~the classification(s) required to perform this work is:~~

NO LICENSE IS REQUIRED FOR DESCRIPTION PROVIDED.

NOTE: In New Mexico, electrical, mechanical and plumbing work must be performed by, or under the supervision of, someone who has a journeyman certificate for the classification of work being performed. Therefore, even if you have a contractor's license in one or more of those classifications, you must also be, or employ, a certified journeyman to perform the work.
Please see our web site at: <http://public.psiexams.com> for information on acquiring this license as well as see the full list and descriptions of classifications.
